

Learning of Foreign Languages Information:

The medium of instruction in most universities in Europe is in the Country's official language, however English language is used in various courses. Thus, it is better and advantageous to have the knowledge of the Official language of the Country in which a Candidate wishes to study/work before embarking on such Journey. Thus, we Provide On-line and On-site learning of Foreign Languages in order to give our students the basic and up to a reasonable sufficient level or standard knowledge of the Country's language before travelling to such Country. It is advisable to consider starting early e.g. from Secondary School (JSS 1 to 3) / (SSS 1 to 3). Thus, preparing for various future opportunities.

The Course is opened for individuals, young People, adults, Companies, Educational institutions or University Students who wish to learn Foreign languages in view of their Current or future Profession as Countries relate with each other in business, investment and other Professional needs in Nigeria and abroad, thus further increasing such participant's chances, as a result of your skills, qualification(s) and very good knowledge of Foreign Languages, it could be a game changer in securing very good jobs and it gives Participant an added advantage over their peers. In addition to this, in order to receive Citizenship of most European Union Countries, a good knowledge of the Country's language is required, in speaking, listening and writing. Becoming an EU Citizen with the knowledge of the language gives you significant opportunities, the ball is in your Court on when to start the journey.
